

Designed for use with the Molnar M245 'Universal' Two Post Hoist, these lifting aids improve workshop efficiency and safety

M245 ACCESSORIES

901103031

STANDARD PICK UP PAD

Standard Rubber Pick Up Pad. Easily bolts on to replace Pick Up Pads on M245 hoists.

Diameter _____ 125 mm
Pad Height _____ 16 mm

25A17011

HEAVY DUTY PICK-UP PAD

Heavy Duty Rubber Pick Up Pad is larger and thicker making it more durable and longer lasting. Easily bolts on to replace Pick Up Pads on M245 hoists.

Diameter _____ 140 mm
Pad Height _____ 31 mm

25A17003

PAD EXTENSION 33mm

Intermediate 33mm pad extension and small pad diameter lifting solution for uncommon lift points. For use on Standard Pick Up Pad 901103031.

Diameter _____ 100 mm
Pad Height _____ 33 mm

25A17004

PAD EXTENSION 45mm

Higher 45mm pad extension and small pad diameter lifting solution for uncommon lift points. For use on Standard Pick Up Pad 901103031.

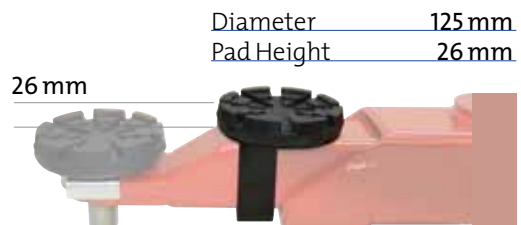

Diameter _____ 100 mm
Pad Height _____ 45 mm

25A17010

ARM PAD

Developed for use on vehicles which are both wide and short. The bracket holds the Standard Pick Up Pad on the telescoping section of the Standard M245 Arms allowing the pick up point to be further out.

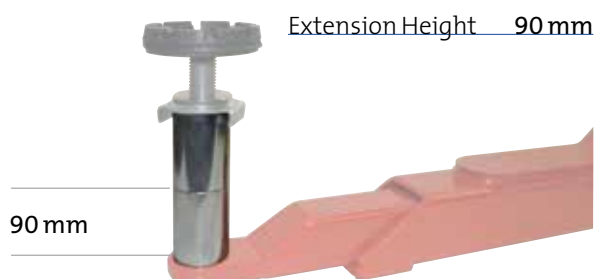

Diameter _____ 125 mm
Pad Height _____ 26 mm

25A21027

PICK UP PAD EXTENSION

Additional Pad Height Extensions can be easily stacked to make the total maximum combined extension height of 180 mm.

Extension Height _____ 90 mm

MOLNAR

HOISTS

25H17001

Retrofit kit for a 440 mm Height Extension of M245 hoists. Enables lifting higher vehicles such as large vans and 4WDs with roof racks. Authorised installation is required.

HEIGHT EXTENSION

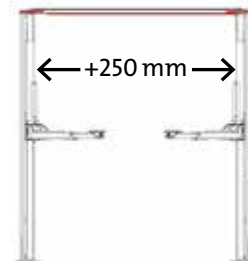

25W17001

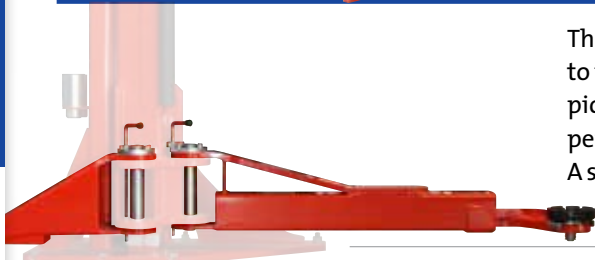

Retrofit kit for 250 mm Width Extension of M245 hoists. Increase drive through width for large vehicles such as 4WDs and light commercials. Authorised installation is required.

WIDTH EXTENSION

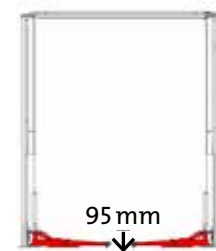

25Q17001

The M245 Low Arms were designed to provide the lowest practical pick-up height for sill panel lifting performance and sports vehicles. A simple retrofit to your existing M245.

LOW ARMS

25A24022

M245 Power Pack with 240 volt, single phase motor for conversion of standard M245 with 3 Phase Power Pack. Authorised electrical installation is required.

240 VOLT MOTOR

25A31036

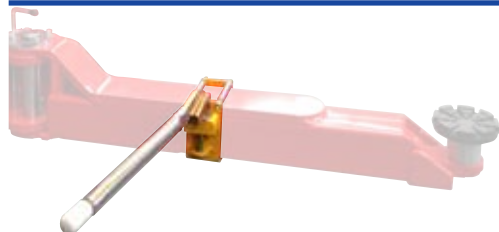

Powder coated standard cylinder covers to customise the look. Replaces standard M245 galvanised cylinder covers. Custom coloured 'height extension' cylinder covers (listed above) part number 25A17017.

POWDER COATED CYLINDER COVERS

5001008

Safe and efficient heavy duty accessory to hold wheels removed while servicing vehicles on M245 hoist. Swings away when not in use. Sold as a set of 4 (2 fronts + 2 rears)

WHEEL HOLDER

As the policy of Molnar Hoists is one of continuous improvement, the manufacturer reserves the right to change specifications without notice.
